

TRASH & RECYCLING COLLECTION

- Waste Industries will begin residential garbage and recycling pickup Monday, **MAY 1**, for the Town of Beaufort.
- Green 95-gallon roll-out carts for trash and blue 95-gallon carts for recycling will be delivered to residences beginning **APRIL 24**.
- Attached to your cart will be information about service, weekly trash collection day and every other week collection day for recycling.
- Residents will not see a change in collection fees once this service begins. The cost will remain the \$17 currently reflected on the utility bill.
- Public Works will begin a **NEW YARD DEBRIS COLLECTION SCHEDULE**. On Mondays starting May 1, crews will collect on the south side of Mulberry/Lennoxville and on Tuesdays on the North side of Mulberry/Lennoxville starting May 2.
- You will need to schedule **BULK ITEM PICKUP**, which will continue to be provided by the Town. Call Town Hall at 252-728-2141 or email publicworks@beaufortnc.org by 5 p.m. the Monday of the week you'd like the items collected.
- Town will collect unwanted trash cans and recycling containers the week of May 15-19.
- Bag all garbage before placing it in the trash cart. Everything must fit inside your cart(s) with the lid closed; no items of any sort placed on top, beside or outside your cart(s) will be picked up.
- Carts must be curbside to be serviced and accessible from the street. Residents who live on private lanes or drives will need to place their cart(s) curbside of the closest public street to be serviced.
- Place carts curbside the night before your pickup day or no later than 7 a.m. the morning of your pickup day.
- Residents with physical or storage limitations may request 65-gallon containers by emailing publicworks@beaufortnc.org or 252-728-2141.
- If a resident has a medical condition that restricts them from pulling their cart(s) curbside, contact Town Hall to request assistance.
- Once your cart(s) have been serviced, please remove them from the curbside and return them to your home.
- Extra carts are an additional \$10 per can for trash and \$4 for recycling per month.
- Contact Town Hall at 252-728-2141 for further details on the trash collection and recycling program.
